

Part of Dhaka, Netrokona is known for its natural beauty. BRAC operates some of its core programmes such as microfinance, education (BEP), health, nutrition and population (HNPP) and water sanitation and hygiene (WASH), among others in this district. Among them, microfinance is the largest programme offering three types of loans – dabi (microloan), progoti (enterprise loans) and tenant farmers’ development loans with about 200,000 members and 70,000 borrowers.

BEP stands as the second largest programme in this district. Under BEP, BRAC runs 600 schools, the adolescent development programme (ADP), and *gonokendros* (community libraries). HNPP is another core programme running successfully in this district. It is a combination of preventive, curative, rehabilitative and promotional health services focusing on improving maternal, neonatal and child health (IMNCS), and combating communicable diseases and common health problems, forming the key components of essential health care. Another core programme is WASH, which is mainly deals with water and sanitation services. In Netrokona, WASH has achieved 87 per cent sanitation coverage by installing sanitary latrines in
